

PRIVATE MORTGAGE LENDING SOLUTIONS

Alpha August Real Estate Advisory (AAREA) is a private mortgage lender licensed with FICOM and FSCO. We fund mortgages that are outside of the bank lending parameters. Many of the borrowers we help have good credit but are not able to secure a conventional mortgage for a variety of reasons. We are equity lenders with a focus on exit strategy.

We provide fast quotes, competitive pricing and flexible terms to help you close more loans.

Our Lending Area Covers	Ontario
British Columbia	Greater Toronto Area
Lower Mainland	Ottawa
Okanagan	Golden Horseshoe

Your New Partner in Private Residential Mortgages

We place great value on long term, uncomplicated relationships and partnerships that are characterized by respect, trust and reliability. Our aim is to provide timely and suitable lending solutions to the mortgage broker community. We think and act as entrepreneurs and it is within our tradition to be innovative and broker focused.

We protect mortgage brokers. The borrower always remains your client. You determine your fee; no mandatory fee splits.

RECENT FUNDINGS

Private Mortgages can come with complex challenges. Savvy brokers must be able to navigate these challenges. AAREA helps you add capabilities and exploit gaps in the market to achieve solutions that work for your clients.

Our Lending Solutions help Borrowers during challenging times.

Bankruptcy Illness Divorce Credit Consolidation
Business Capital Requirements Real Estate Development

Top 3 Client Solutions for SubPrime Borrowers

Bankruptcy on credit bureau, and facing foreclosure, the borrower was recovering from a medical issue and was back to work. No savings, challenged credit, new job. We were able to present a financing package that helped save their home from foreclosure.

Borrowers were going through a difficult divorce. High 7 figure property in Vancouver was the marital home. We provided a financing solution that enabled the husband to refinance debts, including CRA, and settlement for wife to secure a separation agreement.

Borrower is a real estate developer with a substantial real estate portfolio and leverage. Required an equity take out on a rental property to move forward with development.
